

My Covenant with God and our Parish Family

A sense of stewardship in our lives is a gift from God: our abilities, our loved ones, our health, even life itself. Such an awareness is truly transforming. It allows us to give of ourselves, not from our abundance, but from our want.

Through prayer, we learn how God has gifted us with talents and resources that we can joyfully share with others. The three cornerstones of stewardship are known as “prayer, service, and sharing”; sharing our prayer, talents, and financial gifts with the parish.

Please complete this stewardship commitment for this coming year.

My Our Lady of Lourdes Stewardship Commitment for 2007
